

**Webinar : Castor oil based polyols-Scope and Application by Dr.Subhash V Udeshi and Mr.Atul Sarang, Jayant Agro Organics Limited**

**Date: September 15, 2023**

**Time: 3.30pm (India Time)**

**Abstract:** India is the highest producer and exporter of Castor Oil and NOP's (Natural Oil polyols). Jayant Agro-Organics Limited has been a global leader in the development and processing of Castor Oil based products since 1991. Castor Oil has grown into a most valuable starting material for diverse applications from paints, pharma, polyurethane, cosmetics, to name a few. Use of castor oil derivatives as polyols/ reactive diluents in PU based coatings, rigid foams, flexible foams etc. will be discussed during the webinar.

**About the presenters:**

Mr. Atul Sarang is having 27 years' experience in manufacture and formulation of Natural Oil Polyols. He is a Chemical Engineer with an MBA (Operations) from SPJIMR, Mumbai. He is responsible for the overall development of new formulations and applications for the polyurethane foam sector. The webinar will be conducted jointly by Dr. Subhash V Udeshi, Technical Director, and Mr. Atul V Sarang, Sr. Manager – Application and Product Development, Jayant Agro-Organics Limited
